New Publications.

THE ELEVENTH VOLUME
OF THE WORKS OF
JAMES FENIMORE COOPER,
ILLUSTRATED BY F. C. DARLEY.
Ready THIS MORNING.
LIONEL LINCOLN:
Or,
THE LEAGUE OF BOSTON.

One vol. crown octavo, two vignettes on steel, and twelve
sketches on wood from original designs by Darley. Price \$1.50.

The Hon. GEORGE BANCROFT, in an address to the New-York
Historical Society, at a meeting immediately after Mr. Cooper's
death, said:

"Great as he (Cooper) was in the department of romantic
fiction, he was not less deserving of praise in that of history. In
LIONEL LINCOLN he has described the battle of Bunker Hill
better than it is described in any other work."

The preceding volumes of this elegant edition are:
THE PIONEERS.
THE RED ROVER.
LAST OF THE MOHICANS.

THE SPY.
WYANDOTT.
THE TWO BRIDGES.
THE PILOT.

THE WET OF WISCONSIN.
THE HEADSMAN.
THE PRAIRIE.

Uniform volumes in cloth, binding and price (\$1.50 each).
They will be sent by mail, post-paid, to any address, on receipt
of \$1.50 per volume.

DARLEY'S COOPER VIGNETTES.
At the suggestion of our Artists and Associates, the
Publishers have taken a limited number of "ARTIST PROOF
LETTERS," of each of the beautiful Steel Vignettes, engraved
from DARLEY'S Designs for the New Illustrated Edition of
Cooper's Works. These they propose to issue in folio, each contain-
ing eight proofs, and each proof accompanied with a page of letter-
press descriptive of the picture. The proofs are being printed
under the supervision of Mr. Darley, and are of the finest French
Paper. Each folio will be in a cover of highly ornamental
design, printed in tint.

Folios ONE and TWO are now ready for Subscribers, and the
remaining Six will follow at intervals of two or three months.
PRICE TO SUBSCRIBERS—THREE DOLLARS PER
FOLIO.

As the proofs are limited to a small number (only 500 im-
pressions from each plate), after which the plates are lettered, so that
no more can be taken, no subscription will be received except for the
full set.

W. A. TOWNSEND & Co., Publishers,
No. 46 Walker-st., New-York.

D. APPLETON & Co.

No. 345 and 347 BROADWAY,
NEW-YORK.
(By subscription.)
A NEW HISTORY

THE UNITED STATES,
By
J. H. PATTON, A. M.
In one large vol., 822 pages, 1/2 Morocco.
Price \$2.50.

In presenting the reading public this volume, the publishers
hope to supply a want long felt—that of a History of the United
States occupying a place between the documentary histories
of the nation, and the more popular works in school.
The former of these are beyond the reach of great
numbers of intelligent general readers, while the latter do not
meet their wants.

In this History they will find clearly traced those influences
that have had a power in molding the character of the nation
and the institutions, moral and political, and also of those causes
and events so characteristic of the times and the people.
This is in accordance with the truth that history is useful only
in so far as it discloses the people and traces the causes of their
influences that have produced important results in their becoming
a nation of danger, or examples worthy of imitation.

The History of the United States, in its origin, in its growth,
in its progress, and in its future, is a subject of the highest
importance to every citizen, and it is not less important to every
citizen of a very much more costly kind. It takes, as has been
said, the middle ground between the documentary histories of the
nation, and the more popular works in school. It is a history
of every event that is properly a part of our history—a description
of whatever events were notable, or had any particular or general
influence, and an account of the men who were the actors. The
new are even individualized. Sketches of the characters of all
who are prominent in our national history are given, on which
being before a more a specially interesting manner, and
showing in a measure, a key to their motives, and to the better
understanding of the events which followed. The book is not
within its limits by any omission of proper parts of the History,
but only by condensation; by perfect freedom from all verbosity
and unimportant details. It is the plain, full, straightforward
story of our past.

Much labor has been especially bestowed to supply a more
thorough and complete history of the United States, from the
War with Mexico. The causes that led to the former are
traced, and a view given of the political parties and the changing
of opinions which made the war inevitable. The book is not
from the newspapers of the time and the debates in Congress.
As to the Mexican War, its history can be said, now, to be
impartially written; and the causes which led to it, and the
events which followed, are given in a plain, full, straightforward
manner.

From The New-York Observer.
"An acquaintance with the author and with the work itself
(having read portions of it) was passing through the press,
and having examined it since its publication, we are enabled to
say that it is a valuable addition to our historical resources.
It is the result of careful, deliberate, and extended research;
it exhibits impartial and sound judgment, and the merits of the
events which it narrates, making it a book to be read as well as to
be preserved for constant reference. The history of our country
thus portrayed has more of the interest of a drama than of a bare
narrative of facts."

Agents wanted in this city and in all parts of the United States.
Liberal terms and exclusive territory given.

THE NEW-YORK TRIBUNE.
The TRIBUNE—now more than eighteen years old, and having
over a quarter of a million of subscribers, or constant purchasers,
diffused through every State and Territory of our Union—will
continue to exert what it has been—the earnest champion of
Liberty, Progress, and of whatever will conduce to our national
good in Virtue, Industry, Knowledge, and Prosperity. It will
continue to report the transactions of the day, to give the news
of the world, to discuss the important questions of the day, and
to present a full and complete view of the state of the Union.
It will continue to be a faithful and impartial record of the
debates in Congress, and of the proceedings of the Executive
Department, and of the various departments of the Government.
